GUIDE PRICE: 19 **£340,000** / 20 **£240,000**

TWO HOUSES: ONE ARRANGED AS FOUR SELF-CONTAINED FLATS

These two houses situated in a popular close both offer investment potential. No 1 has been arranged as three flats for a number of years with a further detached studio flat to rear, and we understand that all flats have been rated as separate units for council tax purposes since October 2002. All the flats are currently let on assured shorthold tenancy agreements at an overall current rental income of £26,700 pa. The property is an end of terrace dwelling and benefits from gas-fired central heating and double-glazing.

No 5 Prospect Close is a three bedroom mid-terrace property that has been extended to the rear and also benefits from gas-fired central heating and a garage to rear. The property offers excellent potential and is currently tenanted on an assured shorthold tenancy that has now expired. The tenants are holding over on the same terms at a rent of £1000 pcm (£12,000 pa). The property is presented in generally good decorative order throughout. We understand that No. 3 is also available to purchase by separate negotiation and the Auctioneers reserve the right to sell these lots either individually or together.
